**Pudor's Puget Sound  
Grown**

**Dahlias and  
Gladiolus Bulbs**

**New Dahlia—"DEE-LIGHTED."**

Winner of First Prize as the Best White Dahlia,  
Tacoma Dahlia Show, 1916.

There are no better climatic and soil conditions in the United States for the most successful growing of **Dahlias, Peonies, Roses and Bulbs**, than in the genial, moist climate of the Puget Sound, in the State of Washington; they all thrive and bloom here as nowhere else. A trial order will convince you of these facts.

## MONTBRETIAS.

Half-hardy Mexican plants, which bloom abundantly from midsummer until frost, and are most popular for cutting. Flower-spikes are two feet in height, and flowers are very showy with their bright shades of glowing colors. Should be grown in masses or groups. In full flower from July until October. Few bulbs give such satisfactory results. At the low prices quoted they should be planted by the hundreds for cutting freely. 6 for 15 cents; 12 for 25 cents; 100 for \$1.50, postpaid.
